Welcome to Farmington High School - Home of Tiger Pride!

This handbook has been prepared for the students and parents in the Farmington High School Community in order that all individuals have a clear understanding of the practices, procedures, rules and regulations that guide our school community.

It is our hope that each student who journeys through this school will find it to be a welcoming and inviting place to learn, explore, take chances, celebrate our successes, and learn from our failures. Faculty, staff and administration work hard for the success of each student. It is our expectation that each student will be ready to learn, willing to contribute as a Farmington High School community member, and celebrate school success. The handbook reflects a balance of school life, which includes a strong academic program, extensive co-curricular activities, and school procedures to provide a safe and caring environment.

The format of this handbook reflects "real life" practices in the work world. High school is the "real world" for the adolescent. This is the time and place for students to practice skills and build habits for successful study and work as an adult. The design of the handbook is modeled on the kind of information that might be found in an employee handbook, with adaptations for students.

Each student and his/her parent/guardian are expected to read through the entire handbook. Students will be held responsible for knowing, understanding and following all rules, policies, practices and procedures in the handbook.

Adherence to these rules, policies, and procedures is an important first step to a successful year and career at Farmington High School.

So get active, get involved, have a great year, and a great Tiger Day!

GENERAL INFORMATION

ANNOUNCEMENTS
Student announcements and FHS News will be made via Schoology groups. All students will be placed in the FHS News and Announcements group and a grade specific group. Announcements are also emailed home to all parents on a regular basis. General information announcements are updated on the TV monitors throughout the building. The FHS website also includes general building announcements. If you have an email address associated with your Campus account, you are automatically part of our email distribution list.

ACADEMIC/STUDENT SCHEDULE CORRECTION GUIDELINES
One week before each trimester begins there will be a five day schedule correction period. Students must complete a Schedule Correction Request form and return it to the Guidance Office by the required deadline. All requests for corrections require parent approval.

A great deal of time and effort is put forth to assure that students are scheduled for the classes that they and their parents request during the registration process. Therefore, all corrections must be for educational reasons only. NO schedule corrections are made after the designated week. Classes are not changed once the trimester has begun.

Student schedule corrections are made for the following reasons:
   a) process error
   b) a need to repeat a class
   c) online credit recovery eliminates the need for a class.

Schedule corrections are NOT made for requests for specific teachers or to change classes to a different period.

AGE OF MAJORITY/STUDENTS EIGHTEEN YEARS OF AGE AND OLDER
Students who are 18 years old or older are still obliged to abide by all school district policies and the regulations outlined in this handbook. If it is verified by school administration that an 18-year-old student no longer lives at home and is living on his/her own, that student will be responsible for all communications that normally would be with the parents, including requests to be absent.

EMERGENCY DRILLS- (Fire, Tornado, and Lock Down)
We are required by law to conduct Fire Drills (5) during the school year. We must be prepared in case of fire to leave the building in an orderly manner. You will be given detailed explanation of the procedure from your location by your immediate supervisor at the time of any drill. It is necessary that all books be left on the desk and all wraps left in lockers, unless instructions to the contrary are given you by your teacher/supervisor or over the Public Address System by the school administration. Lock Down Drills (5) are also required by State law. Instructions will be provided via FHS staff and the Public Address System. Tornado Drills and other safety procedures will be conducted as needed during the school year. Please follow all instructions for these drills.

HEALTH SERVICES
Farmington High School Health office is staffed with a registered nurse and health secretary. The Health office is located in the back of the District Service Center offices on the first floor. If injury or illness should occur in school, the student should check into the Health Office and a parent/guardian will be contacted if your child needs to go home or their condition warrants contacting a parent/guardian. Students must have a pass/release from the office to leave for any reason, including reasons of illness. Students who leave the school without a pass will be considered unexcused.

It is important for the nurse to be notified if your child has an injury or illness that could impact their school day. She is able to notify appropriate staff and arrange for accommodations such as use of the elevator, extended time to get to classes, rest periods in health office, etc.

If your student requires medication during the school day, either prescription or over the counter please see the Health Services page under Services on the Farmington Schools Web page for information and the required forms.
GENERAL INFORMATION (cont’d)

IMMUNIZATIONS FOR GRADES 9 - 12
A new law went into effect in September 2014 requiring the administration of Meningitis Vaccinations for students in grades 7-12. ISD 192 as most other districts are phasing in this requirement. It is highly recommended that your high school student receive this immunization even though the district is not requiring it for school attendance at this time. It is currently required for students entering grades 7 and 8. Every student enrolled at FHS should have submitted immunization records indicating that their child has received a Tetanus Diphtheria Pertussis (Tdap) booster shot given after age 11 and 2 Measles, Mumps and Rubella immunizations given after age 1. Typically this has been taken care of when the students are in grade 7. Please see the Farmington Schools parent portal for the immunization record we have on file for your child.

Minnesota Law requires students to be compliant with required immunizations or have a notarized exemption form on file in order to be enrolled in school. Legally, students can be excluded from school if their immunizations are not complete.

LUNCH ROOM
Each student has a food service account into which money must be deposited. Students will have several food options to choose from and may purchase a school lunch. Students may also bring a lunch from home. Milk may be purchased. A la Carte items may also be purchased on their account or pay by cash.

Lunch prices for the 2016-2017 school year are as follows:
Breakfast - $1.35
FHS Student Lunch - $2.85
Premium - $3.65
Milk - $.40
Adult Guest Lunch - $3.55

Applications for free and reduced price lunches are available in the high school office or from the Director of Food Service in the Business Office, located in the District Service Center. Completed applications should be returned to the Food Service Director, 510 Walnut Street, Farmington, MN 55024.

LOCKERS
Each student is assigned a locker. DO NOT SHARE LOCKERS with others. DO NOT SHARE YOUR LOCKER COMBINATION with anyone. Report any damage to your locker immediately. Students will be held responsible for any unreported damage. Lockers are the property of the school district and under state law lockers can be inspected without notice, without student consent, and without a search warrant. Students are not to keep personal valuables or money in their lockers. Students do so at their own risk. With reasonable suspicion, school officials can search personal possessions (including vehicles parked on school property) if they believe the search will uncover evidence of a law or school rule violation. Students will be notified of a search of their personal possessions as soon as possible following a search.

VALUABLE ITEMS SHOULD NEVER BE BROUGHT TO SCHOOL. There is no obligation on the part of school to keep valuables safe. To avoid loss or theft, please adhere to this expectation.

LOST AND FOUND
The lost and found items can be delivered to/colllected from the second floor office.

LEARNING COMMONS (Media Center)
USE of THE LEARNING COMMONS
1. The Learning Commons is to be used as a place to study, or for using the available resources for classroom assignments, research or leisure reading. Students do not need a pass to use the Learning Commons.
2. Students must sign in as they arrive.

MEDIA & TECHNOLOGY FACILITIES
Computer responsibilities include but are not limited to:
1. Do not permit others to use your account(s). You are responsible for maintaining the integrity of all passwords that you may have.
2. Fraudulent, harassing, obscene, threatening, and other inappropriate messages or uses of computer, networks, dial access capabilities, or the Internet must not be created, downloaded, or transmitted. This includes messages that might harass individuals or groups because of their age, race, sex, religious beliefs, sexual orientation, physical attributes, etc.
3. Do not access or attempt to access computer systems or data that you are not authorized to access.
4. NEVER give out personal or family information, such as phone numbers or addresses. NEVER arrange for a face-to-face meeting without parental supervision, and NEVER respond to abusive or suggestive messages. Report all such instances immediately to a teacher or staff member.

CHECK OUT
1. Students are REQUIRED to use their current FHS picture ID card to check out resources for themselves.
2. Check out is for 2 weeks, and resources may be renewed once.
3. Students are responsible for all resources checked out on their card and are expected to return the resources by the due date.

NOTICES AND POSTERS
Any notices to be placed on the bulletin boards or in the commons area must have the authorization of an administrator or organization staff advisor. Notices/posters shall only be placed in specified locations throughout the building. Ask second floor office staff for details.

PHONE CALLS AND MESSAGES
Students will not be called from class for a phone call (including from employers) unless it is an extreme emergency. There is a student phone in the main office for student use. Students are asked to be considerate of others in the use of the phone. Because of our large student enrollment we are unable to take personal messages for students. Unless there is a medical emergency, (this does not include reminders for doctor appointments) classes will not be interrupted. Please make family arrangements before leaving for school each morning. Parents/Guardians please do not call your student’s cell phone during class time.

PLEDGE OF ALLEGIANCE
The Pledge of Allegiance is recited weekly Monday morning. Anyone who does not wish to participate in reciting the pledge of allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Refer to ISD 192 Policy 531 for more information.

WEATHER EMERGENCIES
When in doubt listen to radio station WCCO-AM 830, other metro radio stations, check the school and/or district websites, or call 952-985-1100. Additionally, in the event of a school closure or early release, parents will be notified via email and phone message through our automated calling system.

STUDENT PARKING
All students who park vehicles will be required to purchase a parking permit. The East (11th and 12th grade) and West (10th, 11th, and 12th grade) parking lots have been designated for student parking. There are 523 permits for the east lot and 213 permits for the west lot. These will be distributed on a first come, first served basis. Students may not park in spots designated for staff or visitors. Students are not to park in the South lots. Students who display reckless and unsafe driving behaviors may lose their privilege to park in the school lot and will forfeit their parking fee. Students using vehicles to skip school will lose their parking privileges for a period of time. As outlined in the permit form, ISD 192 assumes no liability for vandalism or theft involving student automobiles. Permits are $55 per trimester or $130 for the year. Permits will be prorated for students who obtain their license during the school year. Daily permits can be purchased for $3 per day. Cars parked in the student lot without a permit are subject to up to a $40 fine, immobilization, and/or towing. Additionally, cars may also be towed at the owner’s expense. A parking lot attendant will be on duty during the school day.

Please see FHS parking regulations on the FHS website for additional information.

STUDENT VISITORS
Visiting students are not allowed at FHS during the school year except under very special circumstances approved by the Principal.
ACADEMIC SUCCESS

GRADUATION REQUIREMENTS

REQUIREMENTS FOR PARTICIPATION IN THE GRADUATION CEREMONY

1. All seniors will be notified in writing by the counseling office prior to the beginning of the senior year as to the number of credits earned by the end of the 11th grade and the number of credits needed for graduation and the specific area requirements yet to be met. The policy pertaining to participation in the graduation ceremonies will also be stated in that notice.

2. Early in the 3rd trimester, the High School Principal will, by certified mail, notify any parents of senior students who have a continuing problem or a new problem of earning the necessary credits for graduation. Each student in this category will be seen by one of the counselors to discuss the problem.

3. Two weeks prior to graduation, the High School Principal will require that teachers of the seniors submit the names of any seniors who are in danger of failing or receiving an incomplete in a course required for graduation. The parents, as well as the students, will be notified immediately, by certified mail, of these failures/incompletes. They will be informed that these seniors in jeopardy cannot participate in graduation ceremonies, should this failure be for one or more of the credits required for graduation. Seniors will not be able to pick up their caps and gowns until all deficiencies are eliminated.

4. IN ORDER FOR A SENIOR TO PARTICIPATE IN THE GRADUATION CEREMONIES, HE/SHE MUST HAVE EARNED 53 OF THE 55 CREDITS REQUIRED. INCOMPLETES IN ANY OF THE REQUIRED CREDITS (NUMBER OR SPECIFIC DEPARTMENT) ARE UNACCEPTABLE IN LIEU OF A PASSING GRADE. Students must reach 55 credits and have completed all required FHS classes and State testing in order to officially graduate and get their diploma.

5. The High School Principal identifies the list of students with the adequate numbers and categories of credits that will graduate. The High School Principal, in cooperation with the Director of Special Services, identifies students on an IEP, who will continue receiving services, but will be allowed to participate in graduation activities with their peers. The participation of the student will be evaluated on a case-by-case basis. No diploma will be issued until student exits special education services based on meeting individual IEP goals or ages out.

Any student can lose the privilege of participating in the graduation ceremony if they are part of planning, and/or carrying out an activity that could be construed as a prank to disrupt the educational process, that could cause harm or fear or disruption of the school day/activity or that involves trespassing on school property or the property of any school or district staff member. Additionally, such actions will result in consequences that may include suspension, expulsion or loss of other school privileges.

TRIMESTER GRADING POLICIES

1. A final grade will be determined by examining what the student has done in total over the entire trimester. A passing grade for the first half of a trimester is no guarantee of a passing final grade. Likewise, a failing grade for the first half of a trimester is no guarantee of a failing final grade.

2. An Incomplete (I) grade is allowed if the student and the teacher have created a plan for the student to complete the needed work in a reasonable amount of time. We want to provide students the time to complete course work, but it is the student’s responsibility to work throughout the entire trimester. If a student receives an Incomplete they are responsible for managing their workflow to complete all missing work to earn a grade/credit for the class.

3. Student in grades 9-12 may have a summative assignment at the end of a trimester. Special policies regarding senior final testing at the end of third trimester will be announced. If the student does not take the summative assessment, the final grade is “Incomplete” if the student is absent with pre-approval from the administration. If the student is absent from the final test for any other reason, the value of the final assessment may be “0” and the trimester grade may be reduced to reflect a no credit final. It is recommended that the final test be used to clarify/adjust the final grade for the semester. Please note: Under very limited circumstances, and only when pre-approved are semester final exams given early.

FINAL EXAM SCHEDULE
There will be final exams at the end of each trimester. Final Exam schedules will be posted prior to examination time.

PROGRESS REPORTS, REPORT CARDS AND PARENT CONFERENCES
Parents have access to academic and attendance information through Family Web Access (http://www.farmington.k12.mn.us/for_parents/family_web_access). Report cards are available to parents at the end of all marking periods on Family Web Access (FWA). FHS does not mail home report cards. Contact Theresa Wolfe (grades 9 and 10) at 651-252-2505 or Janice Carlson (grades 11 and 12) at 651-252-2513 if you need help accessing FWA.

**PARENT TEACHER CONFERENCES**
Conference dates and times are posted on the FHS website and on the school calendar.

***A reminder that conferences are not the only time that parents can contact or meet with teachers to discuss student academic progress. Parents are strongly encouraged to check FWA regularly to monitor the academic progress and attendance of their student***

**STUDENT GRADING/EVALUATION/ACADEMIC RECOGNITION**

Academic Letters
The purposes of the Academic Lettering program are:
A. Reinforcement of Academics among students/parents/community.
B. Recognition of Academic Achievement.
C. Motivation for Academic Excellence.
D. Promote school Pride in our individual and collective Academic Achievement.

Criteria for Earning an Academic Letter or other Academic Recognition:
A. Eligibility for an academic letter is determined by calculating the Grade Point Average (GPA) of the previous academic year in the high school, i.e. in the fall of their sophomore year, sophomores receive a letter for their 9th grade GPA of 3.667 or higher, in the fall of their junior year, juniors will be recognized for their sophomore year, etc.
B. After the initial letter is earned, students qualify for a pin if the GPA remains at 3.667 or better each succeeding year.
C. Transfer grades count and post-secondary grades count, but a student must be in attendance at FHS for two full trimesters before becoming eligible for a Farmington High School Academic Letter.
D. Community and school citizenship will be considered in determining the final recipients in the group of students academically eligible to receive academic letters.

**ACADEMIC SUCCESS (cont’d)**

E. Final GPA to determine eligibility for members of the senior class for awards, scholarships, etc. are calculated at the end of second trimester for classes taken at the high school, and at the end of first semester for students enrolled at DCSTC, other Post-Secondary Enrollment Option institutions or any other semester-based institution. To be clear, grades earned after second trimester are not used in GPA calculations for seniors for honors, awards, etc. A reminder to seniors however, that the final GPA, calculated after grades are submitted at the end of third trimester, are often requested by colleges, universities, and other institutions. **FINISH STRONG!**

**GRADUATION CEREMONY HONOR CORDS**

**Based on cumulative GPA at the end of the 2nd trimester of the student’s 12th grade year at FHS**
- Graduating with a Cumulative Grade Point Average of 4.0 or above: Gold Honor Cords
- Graduating with a Cumulative Grade Point Average of 3.667 or above: White Honor Cords
- Graduating with a Cumulative Grade Point Average 3.0 or above: Orange Honor Cords

**DISTINGUISHED SCHOLARS**

All students with a cumulative GPA of 4.0 or better who have also completed 3 or more college level classes will be recognized as Distinguished Scholars. **Cumulative GPA will be based on student’s cumulative GPA after 2nd trimester their 12th grade year at FHS.**

**HONOR ROLL**

Anyone qualifying by attaining an "A" or "B" average during a marking period should receive public recognition for that achievement.

The following are **Restrictions and Clarifications** regarding the Farmington High School Honor Roll:

1. Students receiving a “D” or “F: or “P” grade for a marking period will be automatically excluded from the Honor Roll.
2. Students with “I” grades are excluded from the Honor Roll until the “I” is converted into a regular grade.
3. A student must carry at least five (5) credits during a marking period to be eligible for the Honor Roll.
4. On a four (4) point scale for calculating grade point average (GPA) for any given marking period, a student must have a GPA of 3.667 or higher to qualify for the “A” Honor Roll, and a GPA of 3.0 to qualify for the “B” Honor Roll.

**Note:** All Advanced Placement (AP), and College in the Schools (CIS) Classes use weighted grades.*

**SCHOOL SPONSORED TRIPS/TOURS**

Organized trips to other states and/or countries during the school year are significant educational experiences. We encourage students to attend if they have the interest and the means. Global cultures often have a different viewpoint regarding student consumption of alcohol. Students must be aware that student consumption of alcohol or tobacco use in another country will lead to Minnesota State High School League penalties enforced upon those students upon their return, as well as school consequences for any alcohol, chemical or tobacco violation or other misconduct during a school sponsored activity. In order for students to participate in school tours, they must be in good academic standing, have no unexcused absences or excessive absences, and if there are health issues, the student must have a doctor’s verification to travel. The school reserves the right to determine participation based on the health and safety of all involved in the trip.

**COUNSELING SERVICES**

FHS has five counselors available to assist students with educational, social, personal, and vocational problems and/or questions. In addition, please see one of the counselors if you feel you qualify for any other service (special testing, special education, speech therapy, etc.) available from our own staff or through the special education department. See the counselors regarding questions on Open Enrollment, Post-Secondary Options, and the development of individual three-year educational plans. Parents and students are encouraged to make an appointment with one of our counselors to develop a student three-year high school educational plan.
A Chemical Dependency Counselor is available to students on a periodic basis. This counselor provides individual counseling as well as group counseling and parent support and education. Specific office hours are posted in the counseling office.

ACADEMIC SUCCESS (cont’d)

CREDIT RECOVERY
Students have an on-going opportunity to make up lost credit through on-line (Plato) credit recovery. FHS students seeking to make up credits should meet with their Counselor in order to plan a program to earn credits. Students are required to attend ongoing credit recovery sessions.

HOW TO GET INVOLVED

HOMECOMING
Homecoming activities at Farmington High School are designed to celebrate a positive school spirit among all the classes. Student Council and other student leadership groups take a leadership role in planning the week’s events. Also, community groups, such as the Chamber, Community Action Council, downtown businesses and parents have joined in this team effort to make Homecoming safe, as well as an event in which the school and community can take pride. Students are encouraged to support and participate in the numerous activities planned during the week, such as the parade, jam the gym, football game, pep fests, coronation and float building contest.

STUDENT LEADERSHIP PARTICIPANT PENALTIES FOR CONTROLLED SUBSTANCE AND HARASSMENT/HAZING VIOLATIONS
Students who are members of the leadership groups at FHS are held to high expectations of being role models. Students found to be in violation of controlled substances, hazing, or harassment may be suspended or dismissed from these organizations. Please refer to the organization's by-laws for additional information. The summer months are considered part of the upcoming academic year.

FINE ARTS AND NON-ATHLETIC EXTRACURRICULAR ACTIVITIES PENALTIES FOR CONTROLLED SUBSTANCE AND HARASSMENT/HAZING VIOLATIONS

For Category II (Fine Arts) - Upon any violation during the calendar year:

1. For the first offense, the student

A student shall be disqualified from all extracurricular activities for six additional months beyond the student’s original period ineligibility when the student denies violation of the rule, is allowed to participate, and then is subsequently found guilty of the violation.
Additionally, students participating in school activities associated with Farmington High School, but do not fall under the jurisdiction of MSHSL, will be held to the same standard of conduct and consequences of the MSHSL.

**HOW TO GET INVOLVED (cont’d)**

All alleged violations will be thoroughly investigated by the Principal or Assistant Principal/Activities Director and validated before penalties are enforced. All student participants in the above named activities are hereby made aware of these penalties in this Student Handbook.

**Band and Choir additional requirements**- Upon any violation:

   d. No controlled substance violation will affect the academic grade or credit for any music student.

**BAND/CHOIR PARTICIPATION**

Performances/concerts are a natural outgrowth of our instrumental and vocal programs. These performances are demonstrations of the skills learned in regularly scheduled classes. Therefore, these local non-MSHSL affiliated performances (concerts, marching band shows, and public performances of small groups) shall be mandatory for students. Refer to individual music course syllabi regarding student non-attendance at mandatory performances. Attendance on the day of a musical group performance is mandatory. Individual student attendance issues will be dealt with as needed on performance days by the music staff.

Student participation in MSHSL solo and small group ensemble contests is voluntary for students. Large group MSHSL contests (choir, band, Jazz Band, New Dimension), which are prepared for during class time, are mandatory for students.

**FARMINGTON HIGH SCHOOL ATHLETICS & ACTIVITIES ACADEMIC ELIGIBILITY**

Information about MSHSL League Athletic and Activities eligibility requirements is included in the online registration process.

The term “League sponsored activities” refers to practice/rehearsal as well as games/matches/meets/performances.

**Minnesota State High School League** policies state that a student must be making adequate progress toward graduation and regularly attend school in order to participate in League sponsored activities. FHS criteria for “adequate progress” towards graduation can be found, under the Academic Success section of this handbook.

- Students who are not making progress are ineligible to compete in athletic or competitive activities until they have completed credit recovery classes or regular school day classes needed to get back on track. Students are expected to practice and attend competitions to support their team, but cannot participate.
- Grade posting periods are 3 weeks long and the student will remain ineligible until the next grade posting to determine eligibility for the next three weeks. Failure to become eligible after three grade posting periods will result in being dropped from their activity or athletic team with the expectation that the student will focus their time and energy on making academic progress.

Coaches, with the support of administration, will check the attendance each day before going to practice or a contest/activity.
• **Students WILL NOT BE ELIGIBLE** to participate in extracurricular/co-curricular events or practices due if they are unverified for one or more periods during the school day; or if a student is serving in school suspension or out of school suspension.

• **Any participant who is suspended from attending classes for disciplinary reasons is likewise suspended from practices and games during the period of suspension.**

CONDUCT

AFTER SCHOOL FUNCTIONS
Conduct at school sponsored after school functions will be the same as that expected during the regular school day. Improper behavior at sponsored after school activities will result in the same consequences as those listed in this handbook as if that behavior occurred during the school day.

AFTER SCHOOL FUNCTIONS - DANCES
* When visitors are allowed to attend dances, they need to be signed up by 3:05 the day before the dance.
* Students may bring a guest from outside FHS but they must be under 21 and in at least the ninth grade to attend a dance at FHS.
* All students must present a school ID card for admittance to a dance.
* Students under suspension may not attend dances.
* Dances will begin no later than 8:30 p.m. and end no later than 11:30 p.m.
* Students are expected to be at the dance within one hour from the beginning time.

ATTENDANCE (ISD 192 Policy 503)
The school board believes that it is not only the student’s right but also his/her responsibility to be in school. Further, the school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students and establishes regular habits of dependability important to the future of the student. There is a school board policy that articulates this as its purpose. It encourages regular school attendance and recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators.

With this in mind, please make doctor, dentist, or other appointments on non-school time, whenever possible. Families are urged to schedule vacations in conjunction with school breaks and during the summer.

The school has the responsibility, under state law, to determine whether an absence is excused, and if not, to take corrective action, including disciplinary consequences.

Excused Absence Definition: Excused absences fall under these categories:
- Family emergencies (serious family illness, injury or death)
- Medical appointments (the school reserves the right to verify)
- Student illness
- School sponsored activities
- Required court appointments
- Absences pre-approved by the administration

Excused Absence Procedures: When students are to be absent from school for all or part of the school day, or when students must leave school for an appointment, we ask parents/guardians to call the school (NO NOTES) to excuse the absence ON THE DAY OF THE ABSENCE OR EARLIER at (651-252-2505 for students 9th & 10th grades and 651-252-2513 for students in 11th & 12th grades). All absences are considered to be unexcused until verified.

When a student becomes ill during the school day, he/she must report to the nurse’s or main office. The student will be issued a permit to leave the building if necessary. Students must not leave the building when ill without the permission of and a pass from the nurse or one of the office secretaries or they will be considered unexcused.

Multiple Absences: Any absence past the seventh excused absence may NOT BE EXCUSED unless medical documentation for that entire length of absence is provided or administrative approval granted. Please contact the school nurse or
administration with concerns about extenuating medical concerns. It is the parent’s responsibility to track a student’s attendance.

**Unexcused Absences**: Any absences not identified in the listing of “excused absences” above are unexcused.

**Special Note**: Under district policy all vacation days and college visits are unexcused, unless pre-approved by the high school administration. **Unexcused absences MAY be granted excused status by administration on a case by case basis upon** parent completion and submission of the Request to Waive Unexcused Status of Student Absence form available in the FHS attendance office or on the district website. The form MUST be submitted to the building administration no fewer than 5 school days before the intended absence.

### CONDUCT (cont’d)

**Consequences for Unexcused Absences**: PARENTS ARE NOTIFIED OF UNEXCUSED ABSENCE VIA THE AUTOMATED PHONE SYSTEM AND PARENT MONITORING OF THEIR STUDENT’S ATTENDANCE ON PARENT PORTAL

- Consequences are assigned in an effort to change attendance behaviors.
- TRUANCY WILL BE FILED WITH THE COUNTY WHEN UNEXCUSED ABSENCES BECOME EXCESSIVE
  
  (According to the County, 7 is excessive)

**ATTENDANCE - TARDINESS**

The purpose of a tardy policy is to stress that we value promptness to class at FHS, to help motivate students to get to class on time, and to help teachers secure more opportunity for instructional time.

A student is tardy to class when he/she arrives in the classroom without a pass after the bell has rung. In addition to classroom consequences set forth by the teacher, students who are habitually tardy will be referred to the assistant principal and individualized student expectations will be set forth along with additional consequences.

**ATTENDANCE - LEAVING THE BUILDING – (CLOSED CAMPUS)**

FHS is a closed campus. According to School Board and high school policies, students are not allowed to leave the school building during the school lunch breaks or any other time during the school day unless they are in the Post-Secondary Option Program or other school sponsored or supported program, having received permission from a school administrator, community service coordinator or work program coordinator or possess an excused permit to leave as directed by parent/guardian and issued by school office personnel. Students found leaving the building will be referred to the office and will be assigned consequences (detention, Saturday School, ISS, loss of parking privileges, etc.) The parent/guardian will be contacted. Chronic violation of this policy will be considered insubordination and appropriate disciplinary actions will be taken.

**BEHAVIOR AND DISCIPLINE**

For a comprehensive listing of consequences for behavioral offenses, please see the Handbook for Student Management which can be accessed on the FHS or the District Web Page.

**BEHAVIOR - ABUSIVE LANGUAGE**

It is expected that language directed toward staff members and fellow students will be polite and appropriate. Profanity, obscenity, and vulgarity have no place in the school setting. This pertains not only to students as individuals, but also as a part of larger groups. Yelling offensive chants in the cafeteria or at athletic events is as inappropriate as if you were saying these words as an individual. Refer to the Handbook for Student Management on the FHS or District Web Page for possible disciplinary action.

**BEHAVIOR - DISRUPTIVE BEHAVIOR/INSUBORDINATION**

Verbal, sexual, and physical abuse of others by students will not be tolerated. Behavior that is disruptive to the educational process will result in appropriate disciplinary action, which may involve detention, suspension, expulsion, or loss of privileges. Insubordination (failure to follow reasonable requests from a staff member) or crude and/or vulgar language toward, or in the presence of, staff members will result in disciplinary action. **Directions by Teachers, substitutes, and other members of the school staff must be followed**. A student may not always agree with the directions of a staff member, but the staff member has a position of authority that must be respected. Students have recourse in situations where they feel inappropriately directed, but they do not have the right to refuse the directions as given.

**BEHAVIOR IN THE LUNCHROOM**
Each student is expected to behave in an orderly manner and to clean his/her dining area thoroughly. **Refusal to do so will result in disciplinary action**, including, but not limited to, removal from the lunchroom for a determined period of time. A student found to have stolen food or money in the lunchroom will be subject to any or all of the following penalties: police referral, in-school suspension, out-of-school suspension, detention, Saturday School, MSHSL Code of Conduct Referral and removal from the lunch room for a designated time. Restitution must be made and a fine may be assessed.

**BEHAVIOR - FIGHTING**

Students fighting in the school building or on school grounds will be suspended for a length of time determined by the circumstances. Note of clarification: “Self-defense” includes walking or running away and reporting the incident, covering/blocking/holding another person to avoid being struck. Self-defense does not include use of fists or engaging in the physical altercation in any way. Doing so makes one a “mutual combatant” and subject to consequences for fighting.

**CONDUCT (cont’d)**

**BEHAVIOR - TAKING OR DISTRIBUTING VIDEO’S OF FIGHTING**

Students are not permitted to video or possess video of fights or altercations that occur at FHS. Sharing or uploading altercations creates a culture of encouraging video worthy altercations. Students who video altercations or are in possession of such video, will be assigned consequences.

**BULLYING AND CYBER-BULLYING (ISD 192 Policy 514)**

"Intimidation or bullying” means conduct that substantially interferes with a student's educational benefits, opportunities or performance occurring on or near school grounds, at a school-sponsored activity, on school-provided transportation, at any official school bus stop, or on a student's walking route to or from school. Intimidation or bullying includes an intentional gesture or a written, verbal, or physical act or threat that a reasonable person under the circumstances knows or should know has the effect of:

1. harming a student;
2. damaging a student's property;
3. placing a student in reasonable fear of harm to his or her person;
4. placing a student in reasonable fear of damage to his or her property;
5. presenting a sufficiently severe, persistent, or pervasive threat or action and creating an intimidating, threatening, or abusive educational environment for a student.

"Cyber-bullying" is the willful harm inflicted through the medium of electronic text. Examples include but are not limited to: sending threatening emails, posting derogatory comments about someone on a web site, sending harassing text messages, physically threatening or intimidating someone and/or spreading rumors about someone.

Students are reminded that they may be subject to school consequences for actions that may be considered to interfere with the educational process, learning environment, or school functions. This would include activity outside of school, during non-school hours, including vacations and holidays. There does not necessarily need to be police action, arrest or conviction of unlawful activity if the school finds evidence that unlawful activity has occurred. Refer to the Handbook for Student Management on the FHS or District Web Page for possible disciplinary action.

**DISCIPLINE/ DISCIPLINARY ACTION OPTIONS/CONSEQUENCES**

It is the general policy of the school district to utilize progressive discipline to the extent reasonable and appropriate based upon the specific facts and circumstances of student misconduct. The specific form of discipline chosen in a particular case is solely within the discretion of the school district. At a minimum, violation of school district rules, regulations, policies or procedures will result in discussion of the violation and a verbal warning. Detention, lunch detention, in school suspension, and Saturday School are examples of consequences assigned for attendance and behavioral concerns. Failure to attend or successfully complete assigned consequences will result in additional and more significant consequences. The school district shall, however, impose more severe disciplinary sanctions for any violation, including exclusion or expulsion, if warranted by the student’s misconduct, as determined by the school district.

**DISCIPLINE - IN-SCHOOL SUSPENSION (ISS)**

Students who violate school rules or regulations may be placed in ISS by the school administration. Students in ISS are monitored continually by a supervisor with an emphasis made to modify behavior. While the student is in ISS, he/she will continue working on assigned coursework. Out-of-school suspension will be used on only rare occasions when a student must

**DISCIPLINE - ISD 192 POLICY ON STUDENT DISCIPLINE**

The purpose of this policy is to ensure that students are aware of and comply with the school district’s expectations for student conduct. Such compliance will enhance the school district’s ability to maintain discipline and ensure that there is no interference with the educational process. The school district will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.
